

Dear AEARU Members,

The University of Science and Technology of China is excited to offer a summer programme in 2023. I am pleased to share the following information with you and would appreciate your assistance in disseminating the information to your students. Thank you very much for your support!

\*\*\*\*\*

Dear Valued Partners,

Greetings from the University of Science and Technology of China (USTC) !

We are excited to share with you that the 10<sup>th</sup> Session of USTC FuSEP - International Summer Camp will be back **ON THE CAMPUS OF USTC** from [Sunday July 9th to Sunday, July 23rd, 2023](#). The call for application is now open. We would like to ask for your kind assistance in circulating the program information to your excellent students at your prestigious university. The program information and registration portal could be found at <https://fusep.ustc.edu.cn/>.

### **I. What is the program about?**

The theme of 2023 FuSEP-International Summer Camp is science and technology for a shared future, covering FIVE sub-camps of different disciplines as follows:

- Physics and nuclear science
- Chemistry and materials science & life science and medicine
- Information science and artificial intelligence
- Mathematical science
- Engineering science & fire safety science

During the two-week summer camp, participants could immerse themselves in an unforgettable summer experience of high-quality learning, discussion upon cutting-edge topics, hands-on research experience, tours to top level laboratories and high-tech enterprises and multicultural communications with young people. The program is conducted in English.

### **II. Target Group**

It is mainly targeted toward full-time sophomores, juniors, or seniors of relevant disciplines in science and technology fully registered at overseas universities. Interested applicants are required to comply with the following eligibility:

- Undegraduate who are registered full-time at home university;

- Complete at least one-year undergraduate study at home university, preferably Grade 2 or Grade 3 undergraduates in related discipline;
- Academic Excellence with CGPA (Cumulative Grade Point Average) of 'B' or above
- English Proficiency of TOEFL iBT 85, IELTS (Ac) 6.0 or above, for non-native English speakers.

### III. How Do You Apply and Get Nominated?

For interest and qualified students, please guide them to choose one of the discipline summer camps and submit your application at: <http://fusep.ustc.edu.cn> in accordance with the instruction. For each applicant, please choose one sub-camp only.

We would be happy to give priority to accept students of AEARU consortium member universities.

To support your students' application, we warmly welcome your nomination up to FIVE (5) undergraduates, to be distributed among the five discipline sub-camps.

To nominate the students, please send their names, email addresses and intended discipline to [incoming@ustc.edu.cn](mailto:incoming@ustc.edu.cn)

Application and Nomination deadline (Extended): **Thursday, April 20, 2023 (UTC/GMT+8)**

### IV. Benefits

- Waived tuition and registration fee to cover local stay;
- Travel grant supported by USTC Fellowship (for students of oversea citizenship only);
- Certificate of Participation;
- Opportunity to receive USTC Transcript on performance-evaluation basis;
- International students who want to apply for a short-term USTC internship in future will be given priority for winning a "USTC Fellowship" sponsorship if they have both FuSEP Certificate and Transcript

Please refer to <http://fusep.ustc.edu.cn> and respective webpage for more information and online registration portal.
